ALLTOGETHER RECYCLING

### WHAT IS ALLTOGETHER RECYCLING?

ALLTOGETHER RECYCLING IS A COMPREHENSIVE RECYCLING PROGRAM THROUGH ALPINE WASTE. THE PROGRAM IS TAILORED TO THE BUILDING AND IS IMPLEMENTED BY WESTCORE IN PARTNERSHIP WITH THE JANITORIAL COMPANY AND OUR TENANTS.

### BENEFITS OF ALLTOGETHER RECYCLING

- ♻️ NO NEED TO SEPARATE PAPER FROM OTHER RECYCLABLE ITEMS
- ♻️ NO NEED TO DISCARD PLASTIC CAPS FROM BOTTLES
- ♻️ PLASTIC, ALUMINUM, CARDBOARD AND PAPER ALL GO INTO THE SAME CONTAINER

NOTE: CERTAIN RECYCLABLE ITEMS CANNOT BE RECYCLED THROUGH THE ALLTOGETHER RECYCLING PROGRAM, SUCH AS PLASTIC BAGS (THESE CAN BE RETURNED TO THE STORE FOR RECYCLING) AND COMPOSTABLE ITEMS, SUCH AS PLATES/FORKS ETC. MADE FROM PLANT FIBERS (THESE CAN BE PLACED IN THE REGULAR TRASH AS THEY WILL DEGRADE IN THE LANDFILL)

### HOW DOES ALLTOGETHER RECYCLING WORK?

- ♻️ RECYCLING IS PLACED INTO THE STANDARD RECEPTACLE (PREVIOUSLY USED FOR TRASH)
- ♻️ TRASH IS PLACED INTO THE SMALL “SADDLE BACK” RECEPTACLE
- ♻️ WESTCORE WILL PROVIDE THE SADDLE BACK RECEPTACLES AND RECYCLING STICKERS FOR TENANT’S STANDARD RECEPTACLES
- ♻️ JANITORIAL CREW EMPTIES TRASH AND RECYCLING EACH NIGHT

NOTE: THE RECYCLING CANS WILL NOT BE LINED WITH PLASTIC BAGS. MESSY RECYCABLE ITEMS (SODA CANS, YOGURT CONTAINERS ETC.) SHOULD BE RINSED OUT BEFORE BEING PLACED INTO THE RECYLING CAN. THEY CAN ALSO BE PLACED INTO THE LARGE COLLECTION BOXE(S) IN THE KITCHEN, WHICH WILL HAVE A LINER.
